

NN Travel Insurance - Master Policy Document (v2025.1)

Version 2025.1 | NN Travel N.V.

IMPORTANT NOTICE

This Master Policy Document sets out the full terms and conditions of NN Travel Insurance. Please read it carefully alongside your Policy Schedule, which specifies your product tier (Basic, Classic, or Premium), your coverage limits, deductibles, and any add-ons you have purchased. Together these two documents form your contract of insurance.

Headings are for navigation only and do not affect interpretation. Any reference to "we", "us", or "our" means NN Travel N.V., a licensed insurer regulated under Dutch law. "You" and "your" refer to the policyholder named in the Policy Schedule.

GOVERNING LAW: This policy is governed by the laws of the Netherlands. Disputes shall be submitted to the competent courts of Amsterdam, unless an applicable consumer protection law requires otherwise.

SECTION 1: DEFINITIONS

The following terms have specific meanings throughout this document.

POLICY SCHEDULE: The personalised document issued to you on purchase confirming your name, policy number, product tier, coverage dates, coverage limits, deductible amounts, and any add-ons in force.

PRODUCT TIER: The level of cover you purchased - Basic, Classic, or Premium - as shown in your Policy Schedule. Each tier provides different limits and eligible cancellation reasons; refer to Section 4 for the precise distinctions.

DEDUCTIBLE (EXCESS): The fixed amount you bear on each approved claim before we pay. Your specific deductible per benefit is shown in your Policy Schedule.

TRAVELLING COMPANION: Any person booked to travel with you on the same itinerary who also holds a valid NN Travel policy or was declared on your policy at purchase.

CLOSE FAMILY MEMBER: Your spouse or registered partner, parent, child, sibling, parent-in-law, grandparent, or grandchild.

INSOLVENCY: The formal appointment of a liquidator, administrator, or receiver, or the commencement of voluntary winding-up proceedings, by a licensed travel carrier, tour operator, or accommodation provider.

PRE-EXISTING MEDICAL CONDITION: Any illness, disease, injury, or medical condition for which you have received advice, diagnosis, or treatment in the 24 months immediately preceding your policy purchase date, unless specifically declared and accepted by us in writing.

UNFORESEEN EVENT: An event that, at the time you purchased this policy, you did not know about and could not reasonably have anticipated.

ADD-ON: An optional extension of cover you have purchased in addition to your base product tier, as listed in your Policy Schedule (see Section 7 for add-on terms).

SECTION 2: ELIGIBILITY AND GENERAL CONDITIONS

2.1 Eligibility

Cover is available to residents of the European Economic Area aged 18 to 80 at the time of policy purchase. Policies covering travellers aged 0-17 or 81+ require prior written approval from NN Travel underwriting.

2.2 Policy Status

Your policy must have status "active" at the time the cancellation event occurs. Claims arising while your policy is in status "expired" or "suspended" will be declined. You are responsible for renewing your policy before the coverage end date shown in your Schedule.

This policy covers trips departing from and returning to your country of residence as shown in your Policy Schedule. Trips must not exceed 180 consecutive days for Classic or Basic tiers, or 365 consecutive days for Premium.

2.4 Duty of Disclosure

You must tell us about any material change in circumstances that occurs after policy purchase and that could affect the risk we are insuring, including changes to planned trips, health status, or travel advisories. Failure to disclose material changes may result in your claim being reduced or declined.

2.5 Fraud

Any claim that is fraudulent, exaggerated, or supported by false documentation will be declined in full. We reserve the right to report such cases to law enforcement authorities.
