SUBJECT: NOTICE OF SEPARATION OF EMPLOYMENT

Dear Sarah,

Please accept this letter as formal notification that your employment with Apex Global Solutions Ltd. is being terminated, effective today, 28 May 2026. This decision has been reached following a corporate restructuring and strategic realignment within our engineering department, resulting in the elimination of your current position.

Please return all company property, including your corporate laptop, security access badge, and any related documentation, to the Human Resources department by no later than 4:00 PM tomorrow.

You will receive your final paycheck details within the next five business days, which will include compensation for hours worked up to today, alongside any accrued, unused vacation balances. Human Resources will contact you independently via email to provide explicit details regarding your contractual severance package, pension transition choices, and the extension options for your healthcare coverage.

We appreciate the technical contributions you have made during your tenure with us and wish you the very best in your future professional endeavors.

Yours sincerely,

Jonathan Vance

Director of Human Resources
