SUBJECT: NOTICE OF SEPARATION OF EMPLOYMENT

Dear Sarah,

Please accept this letter as formal notification that your employment contract with Apex Global Solutions Ltd. has been terminated, effective 20 May 2026. This decision has been reached following a corporate restructuring and strategic realignment within our engineering department, resulting in the elimination of your current position.

We want to acknowledge and express our sincere appreciation for your dedicated service since you joined the company in 2020. Your technical contributions over the past six years have been highly valued by the team.

Please return all company property, including your corporate laptop, security access badge, and any related documentation, to the Human Resources department at your earliest convenience if you have not already done so.

Your final paycheck, including compensation for hours worked up to the termination date alongside any accrued, unused vacation balances, will be processed within standard legislative timelines. Human Resources will provide explicit details regarding your contractual severance package, pension transition choices, and the extension options for your healthcare coverage.

We appreciate the commitment you have shown during your tenure with us and wish you the very best in your future professional endeavors.

Yours sincerely,

Jonathan Vance

Director of Human Resources
